DESCRIPTION

2022 Chevrolet Silverado 1500 RST

This 2022 Chevrolet Silverado 1500 RST 4WD features a low 45,123 km and has been fully prepared through our Steele Certified reconditioning program, including a comprehensive 85-point inspection and fresh synthetic oil service. As the Refresh model, this RST introduces a vastly upgraded interior anchored by a massive 13.4-inch tablet-style touchscreen and a fully digital instrument cluster. This unit strikes an ideal balance between street-inspired styling featuring body-colour bumpers and black-out accents and rugged capability provided by the Z71 Off-Road package and 5.3L V8 engine. With a clean CARFAX and late-model technology, this truck offers exceptional value for the modern buyer. We invite you to contact us to book a viewing and professional test drive at your earliest convenience.
